

JERSEY CITY DEALERS BOOST PRICE OF ICE BY ONE DOLLAR A TON

Shortage of Crop Given as
the Reason, but Indignation
Reigns Among Consumers.

Looks like there will be a renaissance
of the moss grown wheeze, "How'd you
like to be the Ice Man?"

The wholesale ice dealers of Jersey
City today gently but firmly informed
the retailers that beginning early this
morning ice will cost \$4 per ton, instead
of \$3, as formerly. This is the first an-
nouncement in the metropolitan district
of a boom in the price of ice this year,
although a large section of the popula-
tion has for some time figured it in their
budgets for the coming summer.

The New York dealers, when they
learned of the action of their Jersey
brethren, were openly indignant that
the stunt should have been pulled off
so soon, but secretly they admired the
Jersey City bunch for getting on the job
so quickly—really before the winter is
over.

The reason given by the Jersey City
wholesalers, of course, is a shortage in
the crop. They told the retailers only
\$5 per cent. of the normal mountain
crop has been cut, while but 30 per
cent. of the usual river crop has been
cut. The retailers were highly indignant
and are to meet soon to form some plan
of reprisal.

The officials of the big ice companies
of New York said this afternoon there
has been no advance in the price of ice
in Manhattan, but several of them said
there will be one before long. The sales
manager of the Knickerbocker Ice Com-
pany said there is a shortage amounting
to a million tons, "and I should say
there will be an increase."

At the offices of the Foster-Scott Ice
Company and the New York Ice Com-
pany it was stated the usual March rate
is still in force, but that undoubtedly
an advance will be necessary in the near
future. Whether the price will soar as
high as now prevails in Jersey City no
one would predict.

WILSON CALLS CONGRESS FOR EXTRA SESSION APRIL 7.

Tariff Revision to Be Principal Business
Considered—May Take Up
Currency Reform.

WASHINGTON, March 21.—President
Wilson today issued the formal pro-
clamation convening Congress in extra
session at noon April 7. The President's
pronouncement to-day was brief and
followed form closely. It stated merely
that, "Whereas public interests re-
quire," Congress would be convened in
extra session by order of the Execu-
tive.

Originally President Wilson had fixed
on April 1 as the date for opening the
session, but as the tariff bills to which
Congress is to give immediate attention
would not be ready by that time the
date was changed.

It is possible that currency reform
may be taken up at the extra session,
although no definite plans in that di-
rection have been made.

HAIR TURNING GRAY OR FALLING? JUST MIX SAGE TEA AND SULPHUR

It's Grandmother's Recipe
for Dandruff and Restor-
ing Color to Hair

Almost every one knows that Sage Tea
and Sulphur, properly compounded,
brings back the natural color and lustre
to the hair when faded, streaked or gray;
also cures dandruff, itching scalp and
stops falling hair. Years ago the only
way to get this mixture was to make it
at home, which is messy and troublesome.
Nowadays skilled chemists do this
better than ourselves. By asking at any
drug store for the ready-to-use product—
called "Wyeth's Sage and Sulphur
Hair Remedy"—you will get a large
